Getting Started with Windows 10 and Office 2016

Windows 10 with Office 2016 is the new standard for Accenture workstations starting March 1, 2016. Both introduce numerous new features to improve security and productivity, with highlights including:

Windows 10　　　　　**Office**

Enhanced Start Menu with Live Tiles	"Tell Me" help feature
Battery Saver mode	"Clutter" feature to streamline your inbox
Fast Startup function	New chart types, such as Waterfall and Sunburst
Action Center to aggregate notifications	New Excel functions
